# SECTION 1 – INTRODUCTION

## 1.1 TITLE OF BY-LAW

This By-law may be cited as the "The Zoning By-law of the Township of North Kawartha".

## 1.2 SCOPE OF BY-LAW

- (a) Official Plan  
The preservation of naturally – vegetated shoreline is encouraged in order to minimize destruction to the **shoreline** and wet beach habitat, minimize visual impact on the **water body**, maintain wildlife habitats and corridors and improve water quality.
- (b) Vision  
The North Kawartha vision is of a place where water, wild life habitat, natural beauty, recreational opportunities and peace and tranquility are improved and conserved in perpetuity for all human and wildlife generations to come.
- (c) Planning  
Good planning includes both a **building** plan and a vegetation inventory.
- (d) **Building Permit**  
A **building permit** is required for all **renovations/** enlargements/ new construction
- (e) Lands Subject to By-law:  
The provisions of this By-law shall apply to all lands within the corporate limits of the Township of North Kawartha comprised of the Anstruther, Burleigh and Chandos Wards including lands covered by water. The provisions of this by-law shall not apply to those lands which are under the jurisdiction of Ontario Parks and Parks Canada. For clarity, privately owned lands and municipal lands within Ontario Parks continue to be regulated by this By-law.
- (f) Provincial Lakes and Waterbodies  
All lakes and **waterbodies** within Ontario Parks are identified for information purposes only as Park Lakes (PL) on the schedules attached to and forming part of this by-law. Park Lakes include those within Kawartha Highlands Provincial Park which maintain private **shoreline** ownership, specifically

including Anstruther, Loon Call, Wolf, Long, Buzzard, Loucks, Crab, Cox and Cold Lakes. In addition, Park Lakes include numerous smaller lakes within Kawartha Highlands Provincial Park and Petroglyph Provincial Park. Within the Park Lakes, the provisions of this by-law shall not apply. For information regarding permitting requirements within Park Lakes, enquiries are to be directed to Ontario Parks.

- (g) **Federal Lakes and Waterbodies**  
All lakes and **waterbodies** under the jurisdiction of Parks Canada are identified for information purposes only as Federal Lakes (FL) on the schedules attached to and forming part of this by-law. Federal Lakes include the portion of Stoney Lake which is within the Township boundaries. Within the Federal Lakes, the provisions of this by-law shall not apply. For information regarding permitted requirements within Federal Lakes, enquiries are to be directed to Parks Canada.
- (h) **Conformity with By-law:**  
No **building** or **structure** shall hereafter be **erected** or **altered** nor shall the **use** of any **building, structure** or **lot** hereafter be changed, in whole or in part, except in conformity with the provisions of this By-law.
- (i) **Existing Uses Continued:**  
Nothing in this By-law shall prevent the **use** of any **lot, building** or **structure** for any purpose prohibited by this By-law if such **lot, building** or **structure** was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.
- (j) **Building permit Issued:**  
Nothing in this By-law shall prevent the **erection** or **use** of any **building** or **structure** for a purpose prohibited by this By-law if a complete application for a **Building permit** for such **building** or **structure** was submitted or a **Building permit** issued prior to the date of passing of this by-law, provided:
  - (i) when the building or structure is erected, it shall be used and shall continue to be used for the purpose for which the building permit was issued; and
  - (ii) the **erection** of such **building** or **structure** is commenced within 6 months of the date of the issuance of the **Building permit**

- (k) **Compliance with Other Restrictions:**  
This by-law shall not be effective to reduce, override or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions, including but not limited to the Trent Severn Waterway (Parks Canada), the Ministry of Natural Resources and Forestry under the authority of the Public Lands Act, and Ontario Parks, Ministry of the Environment, Conservation and Parks, under the authority of the Provincial Parks and Conservation Reserves Act, 2006.
  
- (l) **Committee of Adjustment Variance Approvals**  
With respect to any lands for which a minor variance from the provisions of By-Law 524-76 as amended and/or By-law 66-1996 as amended has been authorized by the Committee of Adjustment of the Township of North Kawartha. The provisions of By-Law 524-76 as amended and/or By-Law 66-1996 as amended, shall continue to apply to the extent necessary to give effect to such decision until the 30<sup>th</sup> of June, 2014.
  
- (m) **Island Zoning**  
All **islands** located within the boundaries of the Township of North Kawartha, under private ownership, unless otherwise noted will fall within the **Shoreline Residential Island zone**. All **islands** located within the boundaries of the Township of North Kawartha within public ownership, ie. provincially or federally, will fall within an open space **zone**.

### 1.3 INTERPRETATION OF BY-LAW

- (a) **Singular and Plural Words:**  
In this By-law, unless the context requires otherwise:
  - (i) words used in the singular number include the plural; and
  - (ii) words used in the plural include the singular number.
  
- (b) **Shall Is Mandatory:**  
In this By-law, the word "shall" means mandatory.
  
- (c) **Used and Occupied:**  
In this By-law, unless the context requires otherwise:
  - (i) the word "used" shall include "designed to be used"

and "arranged to be used"; and

(ii) the word "occupied" shall include "designed to be occupied" and "arranged to be occupied".

(d) **Building, Structure and Use Classification:**

In this By-law all **buildings, structures and uses** named as permitted **uses** and classified under the headings "RESIDENTIAL **USES**" or "**ACCESSORY USES**" may be referred to as Residential or **accessory buildings, structures or uses** respectively.

(e) In this By-law, metric **units** shall be utilized and prevail. Bracketed imperial **units** are indicated for reference purposes only.

(f) An explanation of the words in bold type can be found in Section 2 – Definitions.

(g) **Zone Boundaries**

(i) Where a roadway is indicated as a boundary, the limits of each **zone** shall be the centerline of the road allowance.

(ii) Where a boundary is indicated as generally following **lot** lines, Township borders, or the extent of a registered plan, the limits of each **zone** shall follow such lines.

(iii) **Zone** boundaries indicated as following **shorelines**, shall be interpreted to be the **high water mark**. **Zone** boundaries indicated as approximately following the centerlines of streams, rivers, canals, lakes, or other bodies of water shall be construed to follow such centerlines.

(h) **Zoning of Original Shore Road Allowance and Unopened Road Allowances**

Any original shore road allowance or shoreline crown reserves located above the high water mark and not located in a zone category shall be deemed to be zoned in the same manner as the abutting upland Lot. Any unopened road allowance absent zoning that is stopped, closed and transferred for the purpose of a boundary adjustment shall be deemed to be zoned in the same manner as the lot it has been

transferred to.

- (vii) an **open storage area**

Properties **zoned** Rural (RU) in hamlet areas shall be restricted to a **dwelling house** only and those legal **uses existing** at the date of passing of this by-law.

(b) Relation to **Street**

(i) Residential **Zones**

An **accessory building or structure**, which is not part of the principal or **main building** on the **lot**, shall be **erected** in conformity with the setback requirements of the respective **Zone** except as may otherwise be provided for herein.

(ii) Non-Residential **Zones**

No **accessory building or structure** shall be **erected** closer to the **street line** than the minimum required setback requirements of the respective Non-Residential **Zone** and further shall not be **erected** closer than 3 metres (10 feet) to a side or **rear lot line** except as may otherwise be provided for herein.

Notwithstanding the foregoing, a gatehouse or information kiosk or other similar accessory **structure** shall be permitted within a required front or side **building** setback or within the area between the **street line** and the required setback provided such facility does not have a **gross floor area** exceeding 10 square metres (108 square feet).

- (c) **Relation to Principal or Main building**  
Except as may otherwise be provided herein, any **accessory building** or **structure**, which is not part of the principal or **main building**, shall not be **erected** closer than 1.5 metres (5 feet) to the principal or **main building**.
- (d) **Building area and Height**  
(i) The total **building area** of all **accessory buildings** and **structures**, except swimming pools, shall not exceed five per cent (5%) of the **lot area**. No **accessory building** singularly shall be more than 5% of the **lot area** nor shall the **height** of any **accessory building** or **structure** exceed 4.9 metres (16 feet) from **grade** to the peak of the roof, nor exceed one **storey** except where expressly permitted otherwise in the by-law. In addition, no accessory building shall include a basement or cellar, but may include a crawl space.  
(ii) Notwithstanding the maximum **height** in item (i), in the case of a detached private garage, the maximum **height** shall be 7.3 metres (23.9 feet) measured from **grade** to peak of the roof and shall not exceed 1.5 **storeys**. Access to any upper **storey** shall be restricted to an internal, unenclosed stairway located inside the **building**.
- (e) **Accessory Structure Encroachments**  
Notwithstanding the **building** setback requirements of this By-law to the contrary, drop awnings, clothes poles, flag poles, garden trellises, retaining walls, fences, **signs** or similar **uses** which comply with the licensing and/or regulatory By-laws of the **Corporation**, shall be permitted in any required **building** setback or in the area between the **street line** or **shoreline** and the required setback.
- (f) **Pump houses**  
(i) Notwithstanding any other provision of this By-law to the contrary, a **pump house** may be **erected** and used in the required **yard** and **water setback** of a **lot** abutting a **waterbody** provided such **accessory building** or **structure** is not located closer than three metres to the **side lot line** and is in accordance with the provisions of Section 3.30.
- (g) **Fire Escapes**  
Notwithstanding the **building** setback provisions of this By-law to the contrary, unenclosed fire escapes may project into

any required setback a maximum distance of 1.2 metres (4 feet).

(h) **Private garages**

A **detached private garage** may be **erected** and used in a front, side or **rear yard** provided that:

- (i) where such **accessory building** is located in a **side yard**, it shall not be closer than 3.0 metres (10 feet) to the **side lot line**; or,
- (ii) where such **accessory building** is located in a **rear yard** it shall not be closer than 3.0 metres (10 feet) to the **side lot line** or **rear lot line**; or,
- (iii) where such an **accessory building** is located in a **rear yard** it shall not be closer than 3.0 metres (10 feet) to the **side lot line** or **rear lot line**, EXCEPT where a **detached private garage** is **erected** with a direct access from a lane, private road or right-of-way or public **street**, in which case the **structure** shall not be located closer than 3.0 metres (10 feet) to the **side lot line** or 6.0 metres (20 feet) to the **rear lot line** and shall comply with the minimum side **building** setback requirements of the respective **zone**.
- (iv) where such an **accessory building** is located in a front or flank **yard**, whether **attached to** or not attached to and forming part of the principal or **main building** or **detached** there from, such **accessory building** shall not be located closer to the **lot line**, than the required front or **side yard** set forth under the respective **zone**.
- (v) where the **lot** on which the **accessory building** is located has a deeded right-of-way or cottage road thereon the setback shall be 6.0 metres (20 feet) from said right-of-way or traveled cottage road.
- (vi) notwithstanding items (i) and (iii), in no case shall a **detached private garage** having a **height** greater than 4.9 metres (16 feet) to a maximum of 7.3 metres (23.9 feet) and/or one and a half storeys have a minimum **rear yard** and **side yard** that is less than 4.5 metres (15 feet).

(i) **Ornamental Structures**

Notwithstanding the **building** setback provisions of this By-law to the contrary, sills, bay windows, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental **structures** may project into any required **building** setback or the area between the **street line** and the required setback a maximum distance of 0.6 metres (2 feet).

- (j) **Swimming Pools**  
Private swimming pools, including in-ground and above-ground pools, may be constructed and maintained as **accessory uses** in accordance with the following provisions:
- (i) **Building Setbacks**  
Swimming pool locations shall comply with the applicable side, rear, front and **water setback** requirements for the **zones** in which they are located. The location of the swimming pool includes all unenclosed water circulating or treatment equipment such as pumps or filters.
  - (ii) **Water Setback**  
In addition to the above, outdoor swimming pools shall not be permitted in the **water setback** or 30 metres (100 feet) from the **high water mark**.
  - (iii) **Fencing**  
The pool shall be enclosed with a fence of not less than 1.52 metres (5 feet) in **height** from **grade**.
  - (iv) **Building Area**  
The maximum **building area** of an outdoor swimming pool shall be part of the allowable 15% **lot coverage**.
  - (v) **Height**  
The **height** of any swimming pool shall not exceed 1.75 metres (5.7 feet) above **grade**.
  - (vi) **Further Safety Requirements**  
If, in the future, **Council** passes any further safety requirements upon swimming pools within the Township, they shall be enforced without an amendment to this By-Law.
- (k) **Marine Facilities**  
Where permitted in this By-law, a **marine facility** may be **erected** and **used** subject to the following conditions:
- (i) **Marine facilities** shall be setback a minimum of 4.5 metres (15 feet) to a **side lot line** or the straight line projection of a **side lot line** into the abutting **waterbody**.
  - (ii) Notwithstanding any other provision of this By-law to the contrary, a **marine facility** may be **erected** and **used** with a 0 metre (0 foot) setback to the high-water mark.
- (l) **Boathouses and Boatports**  
**Boathouses** and **boatports** are prohibited on all lands and

**waterbodies** under the jurisdiction of the Township of North Kawartha. Notwithstanding, **existing boathouses** and **boatports** may be rebuilt, **repaired** or strengthened in accordance with the provisions of Section 3.19.

(m) **Docks and Swim Rafts**

Where permitted in this By-law, the construction of a **dock** and/or **swim raft** shall be subject to the following conditions:

- (i) **Docks** and **swim rafts** shall be setback a minimum of 4.5 metres (15 feet) from a **side lot line** or the straight line projection of a **side lot line** into the abutting **waterbody**;
- (ii) The maximum aggregate area of all **docks** and all structural supports and projections, shall be 56 square metres (603 square feet);
- (iii) The maximum aggregate area of all **swim rafts** shall be 9.3 square metres (100 square feet)
- (iv) **Docks** and **swim rafts** shall only be permitted to be constructed on a **navigable lake** or **waterway**.

Notwithstanding any other provision of this By-law to the contrary, the provisions of this section shall not apply to **docks** and **swim rafts** offered and intended for public use by a government authority.

(n) **Bunkhouses**

**Bunkhouse** shall not be located less than 4.5 metres (15 feet) to any **side lot line** and shall comply with the provisions of the **zone** in which it is situated.

(o) **Gazebo or detached deck**

- (i) Maximum ground floor area – 10 square metres (107.38 square feet);
- (ii) Maximum height – 3 metres (10 feet);
- (iii) Any lot zoned to permit a dwelling shall be permitted one gazebo and one detached deck as accessory uses;
- (iv) A gazebo or detached deck shall not be connected to each other and shall not be connected to any other accessory structure;
- (v) A gazebo or detached deck may encroach into the 30-metre setback but must maintain a minimum 9-metre (30 feet) setback from the high water mark; and,
- (vi) A gazebo may be located on an attached deck, but may not be directly accessible from the dwelling.

### 3.2 FRONTAGE REGULATIONS

- (a) **Frontage on streets:**  
No person shall **erect** any **building** or **structure** in any portion of the **zoned area** unless the **lot** upon which such **building** or **structure** is to be **erected** abuts a **street** as defined herein. This provision shall not apply to a **lot** on a registered plan of subdivision registered subsequent to the date of passing of this By-law.
- (b) **Exemption to Frontage Regulations on streets:**  
If a **lot** is located in a **Shoreline Residential (SR) Zone**, a **Shoreline Residential Island (SRI)**, a **Shoreline Commercial Zone (CS)**, a **Rural (RU) Zone**, or a **Crown Land (CL) Zone**, and if such **lot** does not abut a **street**, then the said **lot** shall be exempt from the provisions of clause (a) of this subsection, provided such **lot** has **water access** and/or private right-of-way access, and/or access over an existing forest road located on Crown land. For the purpose of the RU Zone, this exemption shall only apply to the construction of a recreation camp.

### 3.3 CONSTRUCTION USES

- (a) The following **uses** shall be permitted in any portion of the **Zoned area**:  
A **building** or **structure** incidental to construction such as a trailer, storage container and/or tourist trailer, on the **lot** where such **building** or **structure** is situated, but only for as long as it is necessary for the work in progress and until the work is completed or abandoned; but in no case shall the length of time exceed 12 months. For the purpose of this provision, any trailer, storage container or tourist trailer shall comply with the setback requirements of this zoning by-law for a dwelling or principle use.

### 3.4 DELIVERY SPACE REGULATIONS

- (a) **Size:**  
Each **delivery space** shall be at least 9 metres (29 feet) long, 3.5 metres (11 feet) wide and have a vertical clearance of at least 3 metres (10 feet).
- (b) **More Than One Use On A Lot:**  
When a **building, structure** or **lot** accommodates more than one **use**, the **delivery space** requirement for such **building,**

**structure** or **lot** shall be the sum of the requirements for the separate **uses** thereof.

- (c) **Location:**  
The required **delivery spaces** shall be provided on the **lot** occupied by the **building, structure** or **use** for which the said **delivery spaces** are required and shall not form a part of any **street, lane, parking space** or **loading space**. No portion of any **delivery space** shall be located closer than:
- (i) 3 metres (10 feet) to any **street line**; or
  - (ii) 6 metres (20 feet) to any Residential **zone**.
- (d) **Access:**  
Access to **delivery spaces** shall be by means of a **driveway** at least 7.5 metres (25 feet) contained within the **lot** on which the **delivery spaces** are located and leading to a **street** or lane located within or adjoining the **zone** in which the **use** is located.
- (e) **Surface:**  
The **driveways** and **delivery spaces** shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles.
- (f) **Addition To Or Change of Existing Use:**  
When a **building** or **structure** has insufficient **delivery spaces** on the date of passing of this By-law to comply with the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition if such addition does not increase the gross floor area of such **building** or **structure** by more than 10%. However, no addition may be built and no change of **use** may occur if the effect of an addition or change of **use** would be to increase such deficiency.

### 3.5 DWELLING UNITS

- (a) **Location of Dwelling house:**  
No **dwelling house**, in its entirety, shall be located in a **basement** or **private garage**.

Only one **dwelling unit** per property is permitted unless otherwise permitted and no **accessory building/use** is permitted until the principal **building/use** has been established.

- (b) Location In **Cellar** or **Basement**:  
No **dwelling unit** shall be located in the **cellar** or **basement** of any **accessory building**. No part of any **dwelling unit**, except a bedroom, furnace room, laundry room, recreation room, storage room, washroom or similar room, shall be located in the **cellar** or **basement** of a Residential **building**.
- (c) Notwithstanding any other provisions in this By-Law, where a person wishes to retain an **existing** dwelling, permanent or seasonal, while a new dwelling, permanent or seasonal is being constructed, may do so upon entering into a formal agreement with the Municipality in respect to a maximum time frame for two main dwellings on a property with suitable security deposit as part of the agreement. Said agreement will be registered on title. All costs associated are the responsibility of the property owner.

- (a) No more than two persons, other than those residing in the residence on the **lot** shall be employed in the **home industry**;
- (b) A **home industry** shall not occupy a total **floor area** in excess of 46 square metres (495 square feet) and at no time shall there be more than one (1) **home industry** permitted on a **lot**.
- (c) On any **lot** containing a **home industry**, there shall be no goods, wares or merchandise other than those produced on the premises offered for sale or rent outside of any **buildings**.
- (d) No part of any **lot** containing a **home industry** shall be used for open storage, accessory to that **home industry use**.
- (e) Prior to the implementation of a **home industry**, approval shall be granted from the following agencies: the authority having jurisdiction for waste disposal and higher potential occupant loads, the roads authority having jurisdiction over the entranceway requirements, and the North Kawartha Building Department for compliance with the Ontario **Building Code**.
- (f) The **home industry** shall be clearly secondary to the principle **use** on the **lot** and shall not change the character of the property nor create or become a public nuisance in regard to noise, vibration, noxious odours, glare, emissions of smoke, electrical interference, traffic or parking.

- (g) Any **vehicles** associated with such **home industry** shall be parked in an area other than a public **street** or a required front, side or **rear yard** in accordance with the provisions of the applicable **zone** and Section 3.21.

### 3.11 HOME OCCUPATIONS

No **home occupation** shall be permitted in any portion of the **zoned area** unless such **home occupation** is located within a permitted **dwelling unit** and complies with the following provisions:

- (a) No more than two persons, other than those residing in the residence on the **lot** shall be employed in the **home occupation**.
- (b) A **home occupation** shall not occupy more than 25% of the **dwelling unit area**, or a total **floor area** in excess of 46 square metres (495 square feet) within the **dwelling unit**, whichever is lesser. A home occupation may be established in both a dwelling unit and an accessory structure, provide the floor area utilized for a home occupation in the accessory structure does not exceed 28 square metres (301 square feet). At no time shall there be more than one (1) **home occupation** permitted on a **lot**.
- (c) On any **lot** containing a **home occupation** there shall be no goods, wares or merchandise, other than those produced on the premises, offered for sale or rent outside of any **buildings**.
- (d) No part of any **lot** containing a **home occupation** shall be used for open storage accessory to that **home occupation use**.
- (e) Prior to the implementation of a **home occupation**, approval shall be granted from the following agencies: the authority having jurisdiction for waste disposal and higher potential occupant loads, the roads authority having jurisdiction over the entranceway requirements, and the North Kawartha **Building** Department for compliance with the Ontario **Building Code**.
- (f) The **home occupation** shall be clearly secondary to the principle **use** on the **lot** and shall not change the character of the property nor create or become a public nuisance in regard to noise, vibration, noxious odours, glare, emissions of

smoke, electrical interference, traffic or parking.

- (g) Any **vehicles** associated with such **home occupation** shall be parked in an area other than a public **street** or a required front, side or **rear yard** in accordance with the provisions of the applicable **zone** and Section 3.21.

### 3.12 ILLUMINATION

Lighting fixtures, which are not **public uses** and which are designed for exterior illumination, shall be installed with the light directed downward and deflected away from adjacent **lots, street** and water bodies. Such lighting fixtures shall not be more than 9.25 metres above **finished grade** and no closer than 4.5 metres to any **street** or **lot line**; save and except for any fixture which exclusively serves as an aid to navigation.

### 3.13 KENNELS

Notwithstanding the minimum **yard** provisions of this By-Law to the contrary, no person shall **use** any land or **erect** or **use** any **building** or **structure** for a **kennel** as defined in this By-Law, except as provided herein.

A **kennel use** shall only be permitted to locate in a Rural (RU) or Rural Residential (RR) **Zone**:

- (a) A **kennel** cannot be located within 150 metres (492 feet) of any **lot line**.

### 3.14 LOADING SPACE REGULATIONS

- (a) Size:  
Each **loading space** shall be at least 14 metres long, 3.5 metres (11 feet) wide and have a vertical clearance of at least 4.5 metres (15 feet).
- (b) More Than One **Use** On A **Lot**:  
When a **building, structure** or **lot** accommodates more than one **use**, the **loading space** requirement for such **building, structure** or **lot** shall be the sum of the requirements for the separate **uses** thereof.
- (c) Location:  
The required **loading spaces** shall be provided on the **lot** occupied by the **building, structure** or **use** for which the said

**loading spaces** are required and shall not form a part of any **street**, lane, **parking** space or **delivery space**. No portion of any **loading space** shall be located closer to any **street line** than the minimum front **building** setback for such **building, structure** or **use** in the **zone** where it is located or closer than 7.5 metres (25 feet) to any other **lot line**.

- (d) **Access:**  
Access to **loading spaces** shall be by means of a **driveway** at least 7.5 metres (25 feet) wide contained within the **lot** on which the **loading spaces** are located and leading to a **street** or lane located within or adjoining the **zone** in which the **use** is located.
- (e) **Surface:**  
The **driveways** and **loading spaces** shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles.
- (f) **Addition To Or Change Of Existing Use:**  
When a **building** or **structure** has insufficient **loading spaces** on the date of passing of this By-law to comply with the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, if such addition does not increase the gross **floor area** of such **building** or **structure** by more than 10%.

However, no addition may be built and no change of **use** may occur if the effect of an addition or change of **use** would be to increase such deficiency.

### 3.15 LOTS CONTAINING MORE THAN ONE USE

Where a **lot** contains more than one **use** which is not an **accessory use** as defined herein except for an accessory dwelling house or **dwelling unit**, the **lot area** requirement shall be the sum of the requirements for the separate **uses** thereof; however, the **lot frontage** requirement shall be the greatest of the **lot frontage** requirements for each individual **use** in the **zone** where such **lot** is located.

### 3.16 LOTS DIVIDED INTO MORE THAN ONE ZONE

Where a **lot** is divided into more than one **zone**, each such portion of the **lot** shall be used in accordance with the provisions of this By-

law for the **zone** where such portion of the **lot** is located. Notwithstanding the above, where there are two **zones** on a **lot** of record, the **lot of record** is restricted to one principle dwelling/use.

### 3.17 MINIMUM DISTANCE SEPARATION REQUIREMENTS

- (a) Notwithstanding any other **yard**, setback, or distance separation provisions of this By-law to the contrary, no non-**farm** residential, commercial, industrial, institutional or recreational **use**, located on a separate **lot** and permitted by this By-law, shall be **erected** or **altered** unless it complies with the minimum distance separation as shown on MDS data sheets available from the Ministry of Agriculture, Food and Rural Affairs ([www.omafra.gov.on.ca](http://www.omafra.gov.on.ca)).
- (b) Notwithstanding any other **yard**, setback, or distance separation provision of the By-law to the contrary, no livestock facility shall be **erected** or **altered** unless it complies with the minimum distance distance separation as shown on MDS data sheets available from the Ministry of Agriculture, Food and Rural Affairs ([www.omafra.gov.on.ca](http://www.omafra.gov.on.ca)).
- (c) The provisions of subsection 3.17(a) shall not apply to **lots existing** as of the date of the passing of this By-law which are less than 4 hectares (10 acres) in area.
- (d) Notwithstanding any other provisions of this By-law to the contrary, where a **dwelling house** is destroyed in whole or in part by a catastrophe, Minimum Distance Separation Formula 1 will not be applied when the **dwelling house** is rebuilt, provided it is built no closer to **existing** livestock facilities than before the catastrophe.

### 3.18 NON-COMPLYING BUILDINGS, STRUCTURES AND LOTS

- (a) Alterations To **Non-complying Buildings And Structures**: Nothing in this By-law shall prevent the enlargement, **reconstruction**, **renovation** or **repair** of an **existing**, non-complying **building** or **structure**, or a **building** or **structure** that was lawfully removed or damaged/destroyed, provided such enlargement, **reconstruction**, **renovation** or **repair** shall not:
  - (i) increase the portion of the **lot area** covered by **buildings**, if such coverage exceeds the applicable maximum **building** area permitted herein;

- (ii) reduce the size of any **yard** adjoining that portion of such **building** or **structure** which is less than the applicable minimum **building** setback required herein;
- (iii) reduce the distance between 2 **buildings** if such distance is less than the applicable minimum **building separation** required herein;
- (iv) increase the overall vertical dimension of such **building** or **structure** if such dimension exceeds the applicable maximum **building height** permitted herein;
- (v) reduce the **dwelling unit area** of any **dwelling unit** if it is less than the applicable minimum **dwelling unit area** required herein;
- (vi) reduce the **gross floor area** of any **building** or **structure** if it is less than the applicable minimum **gross floor area** required herein;
- (vii) increase the **net floor area** of any **building** or **structure** if it exceeds the applicable maximum **net floor area** permitted herein;
- (viii) reduce the portion of the **lot** used for landscaping purposes if such portion is less than the applicable minimum **landscaping area** required herein;
- (ix) reduce the size of any planting strip required herein; or contravene any other **zone provisions**.

(b) **Alterations to Non-Complying Docks and Swim Rafts**  
 Nothing in this By-law shall prevent the enlargement, **reconstruction, renovation** or **repair** of an **existing non-complying dock** or **swim raft** provided that the enlargement, **reconstruction, renovation** or **repair**:

- (i) does not create any new deficiency;
- (ii) does not increase the degree of an existing deficiency; and
- (iii) does not enlarge the **dock** or **swim raft** beyond the maximum size permitted; save and except where the original **dock** or **swim raft** was larger than the permitted size, in which case the **dock** or **swim raft** may be **reconstructed, renovated** or **repaired** to the original size.

(c) **Existing Undersize Lots:**  
 Notwithstanding anything to the contrary in this By-Law, where a **lot** having a lesser **lot area** and/or **lot frontage** than that required herein is held under distinct and separate ownership from abutting **lots**, as shown by a registered

conveyance in the records of the Registry of Land Titles Office on the date of the passing of this By-law, or where such a **lot** is created as a result of an expropriation, the smaller **lot** may be used for a purpose permitted in the **zone** and a **building** or **structure** may be **erected, altered** or used on the smaller **lot**, provided such **erection, alteration** or **use** does not contravene any other provisions of this By-Law.

(d) **Existing Buildings and Structures on the Shoreline Road Allowance**

Notwithstanding the above, if a **building** or **structure** is partially or wholly located in the **Shoreline Road Allowance**, it may be **repaired** or **renovated** but in no case will this imply or permit the expansion of any **structure** unless the **Shoreline Road Allowance** has been conveyed to private ownership. For the purposes of clarification, **repair** shall be defined as maintaining the habitation on a permanent or seasonal basis as set out in the Ontario **Building Code**. Further, **renovated** shall be defined as changes to an **existing structure** to improve the conditions within a **structure** for human habitation.

### 3.19 NON-CONFORMING BUILDINGS AND STRUCTURES

(a) Rebuilding or **Repair** Permitted:

Nothing in this By-law shall prevent the rebuilding or **repair** of an **existing non-conforming building** or **structure** that is damaged or destroyed subsequent to the date of passing of this By-law, provided that the external dimensions of the original **building** or **structure** are not increased and the **use** of the **building** or **structure** is not **altered**, unless **altered** to a permitted **use**.

(b) Strengthening Permitted:

Nothing in this By-law shall prevent the strengthening to a safe condition of an **existing non-conforming building** or **structure**, provided that the external dimensions of the original **building** or **structure** are not increased and the **use** of the **building** or **structure** is not **altered**, unless **altered** to a permitted **use**.

(c) Discontinuation of **Use**

Where a **use, building** or **structure** which was established prior to the date of the passing of this By-Law has been used for a purpose not permitted in the **zone** in which it is situated

but said **use** has been discontinued for a period of twelve consecutive months or longer, the said **building** or **structure** may only be used again for a **use** that conforms to this By-Law.

- (d) **Prior Approval of Plan**  
The regulations of this By-Law shall not apply to prevent the **erection** or **use** of any land, **building** or **structure**, for a purpose prohibited by the By-Law of where the **building permit** has been issued prior to the date of the passing of the By-Law, so long as the **building** or **structure** when **erected** is used and continues to be used for the purpose for which it was **erected**, and provided the **erection** of such **building** or **structure** is commenced within six months after the date of the passing of the By-Law and such **building** is substantially completed within one year after the **erection** thereof is commenced.

### 3.20 NOXIOUS USES

No person shall, within the **Zoned area**, **use** any land or **erect, alter** or **use** any **building** or **structure** for any of the following purposes:

blood boiling **use**;  
a fertilizer manufacturing **use**;  
an animal or fish glue manufacturing **use**;  
a gas manufacturing **use**;  
a **noxious use**  
a tannery.

### 3.21 PARKING AREA REGULATIONS

- (a) **Size:**  
Each **parking** space shall be at least 6 metres (20 feet) long, 3 metres (10 feet) wide and have a vertical clearance of at least 2 metres (7 feet).
- (b) **More Than One Use on a Lot:**  
When a **building, structure** or **lot** accommodates more than one **use**, the **parking** space requirement for each **building, structure** or **lot** shall be the sum of the requirements for the separate **uses** thereof.
- (c) **Location:**  
The required **parking area** shall not form a part of any **street, lane, delivery space** or **loading space**. The required

**parking** area shall be provided on the **lot** occupied by the **building, structure** or **use** for which the said **parking area** is required.

- (d) **Surface:**  
Each **parking area, driveway** and **entrance** connecting the **parking area** with a **street** shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles.
- (e) **Addition To or Change of Existing Use:**  
When a **building** or **structure** has insufficient **parking** spaces on the date of passing of this By-law to comply with the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, if such addition does not increase the gross **floor area** of such **building** or **structure** by more than 10%. However, no addition may be built and no change of **use** may occur if the effect of an addition or change of **use** would be to increase such deficiency.
- (f) **Restrictions in Residential Zones:**  
No person shall **use** any **parking area** or **parking** space in a Residential **zone** except in accordance with the following:
  - (i) Not more than one **vehicle** per **dwelling unit** shall be a commercial **motor vehicle** as defined in The Highway Traffic Act.
  - (ii) No commercial **vehicle** in excess of three tonnes (3,000 kilograms, 6,614 pounds) of gross **vehicle** weight shall be stored in a residential **zone**.
- (g) **Special Needs Parking:**  
Special needs **parking** spaces shall be provided for all commercial and **public uses** listed in this by-law and zoning schedules **attached** thereto at the rate of 1 space per 500 square metres (5,382 square feet) with a minimum of 2 spaces. Notwithstanding this provision any commercial or public **buildings** with an area of 232 square metres (2,497 square feet) or less will only require one special needs **parking area**. Special needs **parking** spaces should be a minimum of 3.5 metres (11 feet ) wide with a 1.2 metre (4 foot) aisle in between spaces and be located in close proximity to the commercial or public establishment.
- (h) **Additions To or Change in Use of Buildings:**

The **parking** space requirements referred to herein will apply to **existing buildings** where additions larger than 46 square metres (495 square feet) are undertaken and to any **building** where there is a change in occupancy to an occupancy that requires a higher standard for **parking area**, the **parking areas** will be added.

### 3.22 PLANTING STRIPS

- (a) **Landscaping area:**  
A planting strip referred to in this subsection may form part of any **landscaping area** required by this By-law.
- (b) Interruption for **Driveway** or Walkway:  
Where a **driveway** or walkway extends through a planting strip, it shall be permissible to interrupt the planting strip within 3 metres (10 feet) of the edge of such **driveway** or within 1.5 metres (5 feet) of the edge of such walkway.
- (c) Vegetation **Height** in **Sight triangle:**  
No vegetation within a **sight triangle** shall exceed a **height** of 1 metre (3 feet).

### 3.23 PUBLIC USES

- (a) **Streets** and Installations:  
Nothing in this By-law shall prevent the **use** of land for a **street** or prevent the installation of a water main, sanitary sewer main, storm sewer main, gas main, pipeline, lighting fixture, or overhead or underground electrical, telephone or other supply or communication line, or **structure** clearly ancillary to the foregoing, provided that the location of such **street**, main, line, fixture or **structure** has been approved by the **Corporation**. Notwithstanding the preceding sentence, this approval by the **Corporation** shall not be required for any public works project where the location of the **streets**, mains, **lines**, fixtures and **structures** which make up such project have been authorized pursuant to The Environmental Assessment Act.
- (b) **Zones** Where Permitted:  
The provisions of this by-law do not apply to prevent any public **use** as defined herein and such **use**, **building** or **structure** may be permitted provided that:
  - (i) The **lot area** and **frontage** and **building** setbacks required for the **zone** in which such land, **building** or

- (ii) **structure** is located are complied with;
  - (ii) No goods, material or equipment are stored in the open in a Residential **zone** or on a **lot** adjacent to a residential **zone**;
  - (iii) Any **parking** and/or loading requirements for the **use** are complied with; and
  - (iv) Areas not used for **parking** or storage shall be maintained as landscaped open space.
- (c) Requirements in Residential **Zones**:  
Any above-ground non-recreational **public use** which is located in a Residential **zone** shall be enclosed in a **building** designed, located and maintained in general harmony with the Residential **buildings** permitted in such **zone**.

### 3.24 RENEWABLE ENERGY SYSTEMS

Reserved

### 3.25 TRUCK, BUS, COACH BODIES AND SHIPPING CONTAINERS

Except as otherwise specifically permitted in this By-Law, no truck, **trailer**, bus, coach, streetcar body, **mobile home**, portable commercial **structure**, moveable office, shipping containers or part thereof shall be used for residential, commercial, or industrial purposes or for accessory storage purposes, whether or not the same is mounted on wheels or other form of mounting or foundation.

### 3.26 SIGHT TRIANGLES

- (a) Size:  
The distance from the point of intersection of the **street lines** shall be 7.5 metres (25 feet).
- (b) **Uses** Prohibited:  
Within any area defined as a **sight triangle**, the following **uses** shall be prohibited:
  - (i) a **building, structure** or **use** which would obstruct the vision of drivers of **motor vehicles**;
  - (ii) a fence, tree, hedge, bush or other vegetation, the top of which exceeds 1 metres (3 feet) in **height** above the elevation of the **street**;
  - (iii) any portion of a **parking** space;
  - (iv) a berm or other ground surface which exceeds the elevation of the **street** by more than 0.5 metres (2 feet);
  - (v) a **sign**, other than a pole **sign**, the body of which is not

less than 4 metres (13 feet) above the elevation of the centerline of the **street**.

### 3.27 SECOND DWELLING UNITS

Notwithstanding any other provision of this By-law to the contrary, a **second dwelling unit** shall be permitted within a single **detached** dwelling, a **semi-detached** dwelling, a row house dwelling or within an accessory **structure** to these housing types where they are identified as a permitted **use**. The following provisions shall also apply:

- (a) Only one **second dwelling unit** per single **detached, semi-detached**, or row house dwelling is permitted;
- (b) The **second dwelling unit** may be contained within the **primary dwelling unit**, or in a **building** accessory to the residential use, but not in both;
- (c) The **second dwelling unit** must be clearly subordinate to the **primary dwelling unit**;
- (d) One off-street parking space shall be provided for the **second dwelling unit**, in addition to any parking space required by this by-law for the other residential unit(s). The off-street **parking** associated with the dwelling unit(s) may be stacked provided that the number of spaces so arranged does not exceed two (2);
- (e) The **second dwelling unit** must comply with the requirements of the Ontario Building Code and Fire Code.
- (f) **Second dwelling units** which are located in accessory **buildings** which are detached from the principal dwelling shall comply with the following:
  - (i) Be located no further than 30 metres from the principal dwelling;
  - (ii) Shall comply with the residential **zone** regulations of the respective **zone**;
  - (iii) Shall not be in the form of a **mobile home** or **tourist vehicle**;
  - (iv) If located in a serviced area is to be connected to the municipal water and sewer services through the existing dwelling;
- (g) That private amenity space to be situated outdoors, which is a minimum of 7.5 square metres with a dimension being no

less than 1.5 metres be provided. Such space may be provided in the form of a balcony, deck or patio;

- (h) That the **second dwelling unit** shall be registered with the Township of North Kawartha in accordance with the normal requirements of the Township;
- (i) Notwithstanding the above, **second dwelling units** shall not be permitted:
  - (i) Within a dwelling that is located in an Environmental Constraint (EC) **zone** or in a **floodplain**;
  - (ii) Within a dwelling that is permitted accessory to a permitted non-residential **use**;
  - (iii) On a lot containing a garden suite or sleeping cabin;
  - (iv) Within a building that is accessory to i) or ii) above.

### 3.28 STREET SETBACKS

No person shall **erect** any **building** in any portion of the **Zoned area** unless such **building** complies with the following **street setback** requirements:

- (a) **Provincial highway** - as required by the Ministry of Transportation or the minimum front **building** setback required for such **use** in the **zone** where it is located, whichever is greater.
- (b) Collector Road - as required by the **County** of Peterborough for roads under their jurisdiction, where applicable, or the minimum front **building** setback required for such **use** in the **zone** where it is located, whichever is greater.
- (c) Other **Street** - The minimum front **building** setback required for such **use** in the **zone** where it is located.
- (d) Deeded Private Right-of-way or Traveled Road - the applicable **building** setback.

Notwithstanding the above, where a right-of-way runs through a property under private ownership, the applicable setback requirements for the **main building** shall be reduced to 50% of those required by the **zone** provisions that would normally apply to the property.

### 3.29 TOURIST VEHICLES AND MOBILE HOMES

- (a) Location of **Tourist vehicles**:  
No **tourist vehicle** shall be **erected, altered** or used in any portion of the **Zoned area** except in a permitted **tourist camp**.
- (b) Location of **Mobile homes**:  
No **mobile home** shall be **erected, altered** or used in any portion of the **Zoned area** except in a permitted **mobile home park**.

### 3.30 WATER SETBACKS

All new **development** and sewage system leaching beds shall be setback at least 30 metres (100 feet) from the ordinary high water marks of all water bodies.

- (a) Permitted Exceptions  
Notwithstanding anything in this Section to the contrary, **structures** such as pump houses, **docks**, boat launching ramps, boat lifts, marine railways, holding tanks, septic tanks and other treatment **units** shall be a permitted **use** and may encroach into the 30 metre setback without a Minor Variance or Zoning By-Law Amendment provided that the property owner can demonstrate to the Township's satisfaction and, if appropriate, the authority having jurisdiction over the waterway, that it does not negatively affect the waterfront environment and the **use** is permitted within that geographical area of the Township.

**Structures** that are legally **existing** that do not comply with the required setback provisions that require replacement due to structural defects or destruction by fire or other natural causes or by permitted demolitions will be permitted to be replaced on the same footprint and may only be enlarged in accordance with the provisions of this By-law and where the enlargement does not further encroach into the 30 metre setback.

Sewage system leaching beds, septic system pumping chambers, and holding tanks requiring replacement due to structural damage or malfunction should be setback a minimum of 30 metres from the **high water mark** if possible or to the greatest setback that is achievable to the satisfaction of the authority having jurisdiction. Due to their importance in ensuring public health and/or safety, a Minor Variance or Zoning By-Law Amendment may not be required in the case where the replacement system must be located within the 30

metre setback.

- (b) Vacant **Lots** of Record  
Vacant **lots** of record as of October 22, 2008 shall attempt to have **structures** and septic systems setback a minimum of 30 metres from the **high water mark**. Where it is not possible to achieve the 30 metre setback, then new **buildings** and **structures** shall be setback as far as possible from the **high water mark**. In this regard, a Minor Variance or Zoning By-Law Amendment for a reduced setback for the **existing** vacant **lots** may be permitted provided that the relief is minor in nature, maintains the intent of the Official Plan regarding environmental objectives and is desirable and appropriate for the area.
- (c) Stairs and Landings  
Notwithstanding the above, stairs and landings which are intended to provide safe access to land near the water's edge are exempted from **yard** setbacks provided that such stairs are not more than 1.25 metre (4.1 feet) in width and such landings are not more than 1.52 metres (5 feet) by 1.25 metres (4.1 feet) in dimension

### 3.31 PROVINCIALY SIGNIFICANT WETLANDS

All new development on lands located within 120 metres of any Provincially Significant Wetland as identified on the schedules to this By-law shall be subject to a Holding (H) Provision which shall not be lifted until the applicant has prepared an Environmental Impact Study to Council's satisfaction demonstrating that development or site alteration will not impact the wetland or its function. This provision shall not apply to the expansion, replacement or renovation of an existing dwelling.

## SECTION 4 – HAMLET RESIDENTIAL (HR)

### Apsley & Woodview

#### 4.1 USES PERMITTED

No person shall within any (HR) **zone use** any **lot** or **erect, alter, locate or use** any **building** or **structure** for any purpose except one or more, of the following (HR) **uses**, namely

- (v) a statement signed by the owner or his agent duly authorized there unto in writing, filed with the **building** inspector, disclosing the current and intended **use** of each **building** and **structure** or part thereof, the sanitary facilities available and all information necessary to determine whether or not such proposed or **existing building structure** or **use** conforms to the requirements of the By-law.

### 21.3 ISSUANCE OF BUILDING PERMITS

Notwithstanding any provision of the Ontario **Building** Code Act, the **Corporations Building by-law** or another by-law of the **Corporation** to the contrary, no **building permit** shall be issued where the proposed **building, structure** or **use** would be in violation of any provision of this By-law.

### 21.4 CERTIFICATE OF OCCUPANCY

No land is to be used or occupied, and no **building** or **structure**

which has been **erected** or **altered** is to be used or changed in **use**, in whole or in part, until a Certificate of Occupancy has been issued by the Municipality stating that the proposed **use** and occupancy of such land, **building** or **structure** complies with the provisions of this By-law.

## 21.5 REQUESTS FOR AMENDMENTS

Every request for an amendment to this By-law shall be accompanied by 3 (three) copies of the **Corporation's** "APPLICATION FOR AMENDMENT TO ZONING BY-LAW".

## 21.6 INSPECTION

- (a) Conditions for Entry  
Subject to clause (b) of this subsection, the **Zoning administrator**, the **Chief building official** of the **Corporation**, acting under the direction of **Council**, is hereby authorized to enter, at all reasonable hours, upon any property or premises for the purpose of carrying out his duties under this By-law.
- (b) Restrictions For Entry of **Dwelling units**:  
Notwithstanding any provision of clause (a) of this subsection to the contrary, no officer or employee of the **Corporation** shall enter any room or place being used as a **dwelling unit** or part thereof without the consent of the occupant except under the authority of a search warrant issued pursuant to The Summary Convictions Act.

## 21.7 REMEDIES

Where any **building** or **structure** is or is proposed to be **erected**, **altered**, reconstructed, extended or enlarged, or any **building** or **structure** or part thereof is or is proposed to be used, or any land is or is proposed to be used, in contravention of the provisions of this By-law, the same may be restrained by action at the instance of any ratepayer, or of the **Council** of the Municipality pursuant to the provisions of The Planning Act.

## 21.8 VIOLATION AND PENALTY

- (i) Every person who contravenes this By-law is guilty of an offence and on conviction is liable. On a first conviction, to a fine of not more than \$20,000.00; and on a subsequent conviction, to a fine of not more than \$10,000.00 for each day

or part thereof upon which the contravention has continued after the day on which he was first convicted.

- (ii) Where a **corporation** is convicted, the maximum penalty that may be imposed is: on a first conviction, a fine of not more than \$50,000.00; and on a subsequent conviction, a fine of not more than \$25,000.00 for each day or part thereof upon which the contravention has continued after the day on which the **corporation** was first convicted, and not as provided in Subsection (i).
- (iii) Where a conviction is entered in addition to any other remedy or any penalty provided by law, the court in which the conviction has been entered, and any court of competent jurisdiction thereafter, may make an order prohibiting the continuation or repetition of the offence by the person convicted.

Every fine imposed under the provisions of this Section is recoverable under the Provincial Offences Act.

## 21.9 VALIDITY

If any section, clause or provision of this By-law, including anything contained in Schedule "A" **attached** hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the section, clause or provision so declared to be invalid and it is hereby declared to be the intention that all the remaining sections, clauses or provisions of this By-law shall remain in full force and effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

## 21.10 APPROVAL

THAT, subject to notice of the passing of this By-law in accordance with the provisions of Section 34(17) of the Planning Act, this By-law shall come into force on the date of passing by the **Council** of the Township of North Kawartha where no notice of appeal or objection is received pursuant to the provisions of Section 34(19) of the Planning Act, R.S.O. 1990, Chap P.13. Where notice of an appeal or objection is received as a result of the circulation of the notice of passing of the By-law, this By-law does not come into force until all such appeals have been disposed of whereupon the By-law shall be deemed to have come into force on the day it was passed pursuant to Section 34 of the Planning Act, R.S.O. 1990, Chap. P.13.
