

The Corporation of the Township of North Kawartha

By-law 2019-048

Being a by-law of the Corporation of the Township of North Kawartha to regulate and license exhibitions held for hire or gain within the Township of North Kawartha

Whereas; the Council of the Corporation of the Township of North Kawartha considers it to be in the public interest to provide for the regulation and licensing of exhibitions held for hire or gain in the municipality;

And Whereas Section 150 of the Municipal Act, S.O. 2001, c.25 as amended, provides that a local municipality may license, regulate and govern any business wholly or partly carried on within the municipality even if the business is being carried on from a location outside the municipality;

And Whereas Section 150 (b) of the Municipal Act S.O. 2001, c.24 as amended, provides that businesses that may be licensed, regulated and governed include exhibitions, concerts, festivals and other organized public amusements held for profit or otherwise;

And Whereas Section 151(1) of the Municipal Act, S.O. 2001, c.24 as amended, permits a municipality to exercise its licensing powers under this section, including imposing conditions, for one or more of the following purposes:

1. Health & Safety;
2. Nuisance control;
3. Consumer Protection;

Provided the by-law contains an explanation as to the reason why the municipality is licensing the business or imposing the conditions and how these reasons relate to the foregoing purpose;

And Whereas Section 128 of the Municipal Act, S.O. 2001, authorizes Council to prohibit and regulate those matters that, in the opinion of Council are public nuisances;

And Whereas having determined that concerts, festivals and events organized for the purpose of entertainment or amusement that attract large numbers of people have the potential to create problems related to the health and safety of those who attend as well as for other members of the community, and to cause a public nuisance, Council deems it desirable and in the best interest of the municipality and its inhabitants to license, regulate and govern certain types of events and activities.
