

The Compost Quiz

Try our composting quiz to see whether a composter or a digester is best for you!

Question	Column A  Composter	Column B  Digester
Are you a gardener?	Yes	No
Do you need soil?	Yes	No
Could you dig a 4ft hole on your property?	No	Yes
Do you want to compost leaf and yard materials?	Yes	No
Do you want to compost meat, bones and dairy products?	No	Yes
Do you want to compost pet poop?	No	Yes
Are you concerned about attracting wildlife?	No	Yes
Are you willing to perform yard maintenance?	Yes	No

5 or more in column A? A composter is best for you! By choosing to use a composter you will have access to nutrient rich soil that your plants will love!

5 or more in column B? Pick the digester! You will be able to dispose of meat, bones, dairy products and pet waste, free of any hassles!

Tied (4 and 4)? Both are good options!
